

Nickel Sulfate Hexahydrate crystal

1 Excellent quality:

Made of high purity nickel, not recycled or recrystallized from low grade nickel sulfate.
High purity, less impurities, good stability.

2 Application fields:

plastic plating, composite plating, metal plating, electroless nickel plating.

3 Specification :

project	Typical detection value	specifications
Nickel sulfate hexahydrate	99.9 %	99.50% min
nickel	22.3 %	22.2% min
calcium	1.4 ppm	5.0 ppm max
cobalt	N.D	2.0 ppm max
copper	N.D	1.0 ppm max
Iron	0.7 ppm	2.0 ppm max
lead	ND	1.0 ppm max
magnesium	N.D	2.0 ppm max
manganese	3 ppm	3.5 ppm max
zinc	N.D	1.0 ppm max
sodium	10.4 ppm	50.0 ppm max
Cr	N.D	2.0 ppm max
Cd	N.D	5.0 ppm max
Magnetic Substance	32 ppb	100 ppb
Water-insoluble	7 ppm	0.005% max

4 Packing:

In 25 kgs /500Kgs PP bags with Pallet

5 Storage Instructions:

Store in dry and cool place, avoid high temperature and direct sunlight, the shelf life : two years.

Before using this product, please read the product specifications, the material safety data sheet and any other applicable product literature. The conditions of your use and application of our products, technical assistance and information (whether verbal, written, or by way of production evaluations), including any suggested formulations and recommendations, are beyond our control. Therefore, it is imperative that you test our products, technical assistance and information to determine to your own satisfaction whether they are suitable for your intended uses and applications. This application-specific analysis at least must include testing to determine suitability from a technical as well as health, safety, and environmental standpoints. It is also not recommended that the product be used for any described purpose without verification by the user of compliance with all applicable laws, regulations and registration requirements. No warranty is made as to the accuracy of any data or statements contained herein. While this product is furnished in good faith, this product is provided to you without any representation or warranty, expressed or implied, as to quality, condition, utility, merchantability, completeness, suitability or fitness for any particular purpose or use or any other matter or thing whatsoever and without recourse against CLPC in any event. Without limiting the generality of the foregoing, CLPC specifically disclaims any responsibility or liability relating to the use of this product and shall not in any event, be liable for any special, incidental or consequential damages arising from such use.
